

## Potential Apprenticeship of Glory

You are receiving this file because you believe Father may have selected Apostles Stanley & Karen Pina as your apostolic mentors. Please take some time to prayerfully consider the following questions. When complete, please return it to your glory teachers at [thepinas@gloryteacher.com](mailto:thepinas@gloryteacher.com).

1. After you read the Mentoring Guidelines file and learn about the different types of mentoring, do this. Get in the Heavenly and say this, "God show me what type of mentoring I need (not want) right now." Tell us what He says.
2. How much do you desire to learn beyond the confirmation level of instruction (Harvard, 2017)?
3. How ready are you to be corrected, refined, made and aligned to the Godhead of Glory (Harvard, 2017)?
4. How much time and money are you willing in establishing an intimate, loving relationship with a mentor (Harvard, 2017)?
5. How will you honor your mentor and give back to him or her due to his or her level of sacrificing all to mentor you (Harvard, 2017)?
6. How willing are you to give financially to your mentor (Harvard, 2017)?
7. What makes you believe you are ready to be mentored? Specifically, identify the specific actions you have taken to position you to be an exceptional mentee.
8. If you have been in a mentoring relationship before, describe it. For example, identify the type of mentoring relationship, the mentoring techniques used, the challenges, the mistakes, and how you handle disagreements, conflicts, and misunderstandings (Harvard, 2017)?

Thank you for taking the time to complete these questions and exploring a potential mentoring partnership.
